

06. Emergency Policy

Closure of Pre-School Procedure

Aims of Policy

This policy outlines the procedures for those rare occasions where it may be necessary for the Pre-School to close unexpectedly for a short period. For example, adverse weather conditions (e.g. snow) and other forces of nature, significant staff illnesses or other unforeseen circumstances, including pandemics.

Procedure for Closure

Snow

In the event of snow, a decision to close the Pre-School will be made independently from the decision made by Seer Green School. The Pre-School follows the guidance and regulations set out by the Jubilee Hall Committee, who are the Pre-School landlords. Parents are asked to consult the closure list on www.buckscc.gov.uk or the Pre-School website www.seergreenpreschool.co.uk.

Other reason

Should the Pre-School need to close unexpectedly for other reasons, the following procedure will apply for communicating to parents and staff:

- Pre-School Manager to call all staff due in that day/session and explain the situation to them.
- Pre-School Manager or Committee member (as practical) to write a notice for the front door and place it in an easily seen position.
- The Committee Secretary and/or Committee Chairperson to start the process of emailing all parents to inform them of the closure and provide any information that is relevant. Follow up phone calls may be required for some parents and these should be done, where needed, by the start time order and then alphabetically. The list of contact details for such events is maintained by the Operations Manager.
- The Committee Secretary and/or Committee Chairperson will start the process for the second group due in on the closure day.

In the event of the closure lasting more than one day parents are requested to consult our website to confirm when the Pre-School will reopen.

As the payment of our staff, other expenses and the government funding are generally unaffected by such closures, any fees paid for these days will be non-refundable unless there are extenuating circumstances or we are covered by our insurance policy, in which case a decision will be made at Committee level (eg if damage to the building leads to rebate of costs by our landlord) as to a possible refund.

As with all the policies for Seer Green Pre-School, the Operational Plan should be referred to for the specific details of day to day operations of the Pre-School. In addition, any issues which arise in the course of a child's time with the Pre-School and that are related to a child's health and wellbeing, parent's or staff's concern, or the overall care and safety of our children, staff, parents and equipment will be dealt with in a professional and confidential manner in order to arrive at an appropriate outcome.
